Statement of Purpose (250-500 words):

Prompts for Statement of Purpose (please address all questions):

- Why do you want to become a teacher?
- How will you use your previous experience to ensure high academic achievement for your students?
- Why are you interested in this particular program (i.e. a rigorous alternative licensure program) as a way to become an educator in an urban **or** rural environment?

Essay (300-750 words):

Choose **ONE** of the following prompts to respond to in a brief essay:

- A.** Describe and reflect upon a significant experience you have had interacting with people who come from backgrounds different from your own (i.e., racially, ethnically, socio-economically, religiously, culturally, etc.). What did you learn from this experience? How will this experience help prepare you for effective teaching in an urban **or** rural school environment?
- B.** Describe and reflect upon a time in the past 15 years during which you faced serious obstacles to success in a professional, academic, or community-related endeavor. What specifically did you do to confront these obstacles? Were you ultimately successful? How will this experience help prepare you for effective teaching in an urban **or** rural school environment?
